## 40 BOYS TO RUN

## IN 5 MILE RELAY

In connection with the dual athletic meet to be held at the local Y. M. C. A. Friday night, there will be a five mile relay race between two teams of the Boys department. There will be twenty boys on each team, each running twice, one eighth of a mile each time. The distance is made so short for each boy to prevent any of them overstraining. Earle Barto and "Squeak" Tuttle will act as captains of the teams.

The events to be contested for in the dual meet are the 15 yard dash, 1/4 mile potato race, running high jump, three standing broad jumps and one mile relay race. There has been considerable interest afloat over the meet and some of the members of the Senior class who aspire to the athletic emblem of the association have been hard at work getting in shape. The meet will be under the sanction of the A. L. N. A. and the contestants will all be registered in the league. The meet will commence at 8 o'clock sharp.

## WALSH DROPPED BY

## HEAD COACH LUSH

(Special from United Press.)

New Haven, March 31.—The members of the Yale baseball squad, especially the batteries, did not hesitate to show their displeasure when it became generally known to-day that Ed Walsh, of Meriden, pitcher on the White Sox, had been dropped from the coaching force because of some trouble with Head Coach William C. Lush. Walsh has devoted all his time to developing the Yale team. Walsh was very much surprised when he heard of Lush's action, but said that he would do everything possible for the benefit of the team under the circumstances.

## "PACKY" McFARLAND

## STRIKES REFEREE

(Special from United Press.)

Boston, March 31.—"Packy" McFarland, the stock yards fighter, is much incensed today over the action of Referee Sheehan in calling last night's twelve round bout with Dave Desher a draw. After the decision McFarland struck the referee and there was a mix-up, but cooler heads soon restored order.

It was the general opinion among the spectators that McFarland had earned the decision.

## SHARKEY NOT YET

## TOO OLD TO FIGHT

Boston, March 31.—Tom Sharkey, piqued at Jeffries' long silence to Johnson's challenge, was fighting in Boston today and is getting a good deal of praise for a speech he made at the McFarland-Desher fight. Called on by the crowd, Sharkey said:

"I am no old-timer, I am in good condition, as strong as a bull, I have a fine appetite, I am only 35 years old and I will fight to the death."

He will fight Johnson on April 10.

The baseball squad will go to Washington where they will open the season with Georgetown, the battery for the first game being Phillips, catcher and Yank Vleck, pitcher. Under the careful eye of Ed Walsh Yale has developed a strong staff of pitchers.

## PICATO MUCH BRUISED

(Special from United Press.)

Los Angeles, March 31.—Frank Picato, suffering from many bruises today given to him by Ad Wolgast, Milwaukee, whom he fought last night, Picato outweighed Wolgast by several pounds but the Milwaukee boy had his opponent beaten in less than ten rounds.

KETCHELL OUGHT  
TO HAVE FIRST  
CHANCE AT JOHNSON"Big Al" Kaufman is Also Clamoring for  
a Chance at Big, Black Man.(Special from United Press.)  
New York, March 31.—The heavyweight pugilistic situation today is in a muddle. Jack Johnson's \$5,000 offer, he posted when he arrived here, for a fight with Jim Jeffries or any other fighter, has been covered by both William Britton, manager for Stanley Ketchell, middleweight champion, and by Ed Delaney, manager for "Big Al" Kaufman.

The sporting public believe that Ketchell should be given the first chance against the negro champion. They base their conclusions on the fact that Ketchell has always been hankering for a match with Johnson, while Delaney only a few weeks ago stated that he was not ready to meet Ketchell or Johnson, preferring to wait a year or so before he would let the big Californian tackle the negro.

In addition to the two live ones who have covered Johnson's forfeit, there are today two "has been" who are willing to meet the negro champion—Tom Sharkey and Jim Corbett. But the public look upon these two challenges as simply advertising dodges.

## GIRLS PLAY BETTER

## GAME BUT LOSE

(South Norwalk Sentinel.)

A crowd reckoned at nearly 500 people were in attendance at the armory last night, to witness the great double attraction provided by the local basketball management. The big event was probably the game played between the clever girls' team of the Bridgeport and Greenwich High schools, in which the misses from Greenwich proved victorious by a score of 8 to 5.

It was the first time that a Norwalk audience had ever been privileged to witness the game played between girls' teams, and those gathered at the big hall on West avenue last evening were treated to a surprise in the knowledge and ability shown by the contestants. It is no exaggeration to say that several of the young ladies representing the Bridgeport High school almost lost the ball and shot at the basket in the court in a style that would be a credit to any team of boys of equal age.

The Bridgeport lassies plainly owed their defeat to poor luck at shooting baskets, for they certainly had the chances. Greenwich High, on the contrary, had rare opportunity for scoring, but when the chance came, thanks to the accurate eye and hands of Miss Kennedy, the ball was severely caged.

The entire scoring for the Greenwich High school young ladies being done by Miss Kennedy. Three field goals, one from the foul line and the rest of the showing made by the star of the Greenwich team.

For the Bridgeport High School Miss Kennedy made the only basket, but Miss Kelleny was a shining light throughout the game, as was Miss Sullivan, with her clever dribbling. Miss Light and Miss Rich played spectacular games. Short passing and speedy footwork was a feature of Bridgeport's play, and their consolation lies in the fact that they were a shade better in everything except shooting baskets.

Many people came from Greenwich and Bridgeport to witness the game, and encouraged their respective teams. By last night's win, the girls' team of the Greenwich High school takes the championship among girls' teams. Greenwich and Bridgeport having disposed of all other aspirants in the state.

## BASEBALL NOTES.

The Connecticut league will have another novelty this season in the two brothers, Leslie and Billy Wells of the Chicago Falls team. Leslie will enter the league, by way of this city, while Billy will be content to try out with the New Britain team.

The New York Sun says that Earl Gardner is regarded by Stallings and Arthur Irwin as a second Johnny Evers. As soon as the Hartford recruit is in his usual good health he will play second base permanently for the Yankees, despite reports to the contrary.

## FINEST HAIR IN TOWN

Conclusive Evidence That Parisian Sage Grows Beautiful Hair

"I have tried many hair restorers, but have found Parisian Sage the only one worthy of that name. My hair was falling out, and I found it impossible to keep my hair in any condition for any length of time. It also was coming to look faded when I began to use hair restorers. I tried many, but received no noticeable benefit until I tried your Parisian Sage. After using two bottles, I now have the finest head of hair in this town. I noticed after the first application the itching and dandruff disappeared and my hair became soft and glossy."

Miss Tillie Root, Webster, N. Y.

The Parisian Sage, at only 50 cents a large bottle. They are glad to recommend it, because it is really the most delightful hair dressing in the world. It turns hard, lustrous hair into beautiful, luxuriant hair in two weeks.

It cures dandruff because it kills the microbes. Remember, Lavery &amp; Bro. sell it under a strong guarantee. If you do not live near a druggist who sells Parisian Sage, send 50 cents to Groux Mfg. Co., Buffalo, N. Y., and you will promptly receive a bottle by express, all charges prepaid.

Man came to terms with Hanna several weeks ago, and signed a contract. It was found that Mason was not a resister list and New Britain was ordered to cease negotiations with him. It is up to the national board of arbitration to settle the dispute.

"Young man," Tim Hurst once said to a lady of the Washingtons when he had Poxies, once a called strike "don't you know that there are come on the plate?" "Yes," said Del, "I never saw a plate with a bay window on it before."

The following players have been ordered to report to Manager Conroy of the Hartford team next week: Fitzhugh, Miller, Leverenz, Rogers, Selman, Conroy, Warner, Schultze, Lobert, Metzger, Justice, outfielders: McKenna, Darringer, Hart and McCusker.

It is rumored that a team of All-Connecticut leaguers, now in the National league, has issued a def to a team from the Nutmeg league, now in the American league. They would line up as follows: Nationals: O'Connor, Pittsburgh, catcher; Waller, New York, Ducky, Boston, and Foxen, Philadelphia, pitchers; Hummel, Brooklyn, first base; Soffel, Pittsburgh, second base; Doney, Cincinnati, short stop; Lenox, Brooklyn, third base; Hannifin, Philadelphia, left field; Osteen, St. Louis, center field; and Mac-tern, Boston, right field. Americans: Thomas, Philadelphia, catch; Donovan, Detroit, Walsh, Chicago, Howell, St. Louis, Vickers, Philadelphia, first base; Wilson, New York, pitchers; Rossman, Detroit, first base; Murphy, Philadelphia, and Gardner, New York, second base; Farnell, Chicago, catcher; Waver, Boston, short stop; Ferris, St. Louis, third base; Altizer, Chicago, and Unglaub, Washington, left field. Dougherty, Chicago, center field. Hoffman, Philadelphia, right field. The American leaguers look the classier.

## LONGBOAT FAVORITE

## IN MARATHON BETTING

(Special from United Press.)

New York, March 31.—The six professional runners who will compete in the Derby at the polo grounds next Saturday are rapidly getting into condition and with the signal try-outs they will let up in their training. Tom Longboat will run twenty miles as a final test; Max Baileys will negotiate fifteen miles; Dorando will run about fifteen miles around Central Park; Alfred Shubb will do a twenty mile run; Henry St. Yves, the Frenchman, will do a two hour work out, while Johnny Hayes will go along at an easy gallop for fifteen miles. All of the runners have their adherents, but what little betting is being done is on Longboat.

## MRS. BOYLE WAIVES HEARING

## AND IS HELD IN \$5,000 BAIL

(Special from United Press.)

Meriden, Pa., March 31.—Mrs. James Boyle was arraigned before Justice of the Peace Thomas W. McClain in Meriden today. She stated that she desired to waive a hearing and she was remanded to the custody of Sheriff Chess to await the action of the April Grand Jury. Bail was fixed at the same amount as in her husband's case, \$5,000.

When asked by the justice if she could furnish bail she replied: "Not that I know of." That she was to be given a hearing was kept a secret and only a half dozen people were present in the justice's court.

Nothing new has developed regarding the stranger who visited the jail yesterday during Sheriff Chess' absence. Thomas C. Cochran, attorney for the prosecution, is of the opinion that the stranger was an attorney who has been employed by some influential friends of Mrs. Boyle. Mrs. Boyle's identity remains a mystery as far as the local authorities are concerned.
